COMMUNITY IMPACT PROJECT

JANUARY 2024 - CURRENT

IT Trainer

East African Christian College | Masaka, Rwanda

- Deliver tailored lessons to each student, addressing their unique needs and helping them grasp fundamental IT concepts.
- Design hands-on projects that enable students to apply theoretical knowledge in real-world scenarios, enhancing their problem-solving skills and confidence.
- Curate and provide access to essential learning materials, such as tutorials, books, and software tools, to support students' independent learning journeys.
